## CARING FOR THE COMMUNITY - IT'S WHAT KEEPS US WARM

Georgia Natural Gas<sup>®</sup> (GNG) is not only Georgia's leading natural gas provider, but we're also a nationally recognized leader for employee volunteerism. Our ongoing commitment to Georgia communities continues as we take part in events such as Senior Citizens, Inc.'s recent blanket drive in Savannah (shown to the right). The drive collected hundreds of much-needed blankets for seniors in the Savannah area. In Atlanta, our largest group ever of GNG employee volunteers is participating in the ongoing tutoring program at Centennial Place Elementary School. And we're helping beautify Atlanta's world-famous Peachtree corridor by adopting a downtown park, where our volunteers recently cleaned the grounds and planted flowers. GNG is proud to support so many worthwhile causes. Please visit [onlygng.com/aboutus/community](http://onlygng.com/aboutus/community) for more information on upcoming events and community projects.

## CALIFORNIA GRILLED VEGGIE SANDWICH

### INGREDIENTS

- 1/8 cup mayonnaise
- 3 cloves garlic, minced
- 1 tablespoon lemon juice
- 1/8 cup olive oil
- 1 cup sliced red bell peppers
- 1 small zucchini, sliced
- 1 red onion, sliced
- 1 small yellow squash, sliced
- 2 (4-x6-inch) focaccia bread pieces, split horizontally
- 1/2 cup crumbled feta cheese

SPRING IS ALMOST HERE. START EATING ACCORDINGLY.

### DIRECTIONS

1. In a bowl, mix the mayonnaise, minced garlic, and lemon juice. Set aside in the refrigerator.
2. Preheat the grill for high heat.
3. Brush vegetables with olive oil on each side. Brush grate with oil. Place bell peppers and zucchini closest to the middle of the grill, and set onion and squash pieces around them. Cook for about 3 minutes, turn, and cook for another 3 minutes. The peppers may take a bit longer. Remove from grill, and set aside.
4. Spread some of the mayonnaise mixture on the cut sides of the bread, and sprinkle each one with feta cheese. Place on the grill cheese side up, and cover with lid for 2 to 3 minutes. This will warm the bread, and slightly melt the cheese. Watch carefully so the bottoms don't burn. Remove from grill, and layer with the vegetables. Enjoy as open-faced grilled sandwiches.
